“ We are so sorry to here about Aaron. He was over our house often soon after him and Anthony met. I had given him rides home from work, and he also has been over our house for dinner multiple times. He was a very good friend to Anthony, and Anthony looked to him whenever he was stressed.. even a phone called helped. Aaron was great, if any of the family needs anything please don't hesitate to reach out. We will be there on Friday . With love always. Jackie & Anthony .
