“ *Another precious angel has been added to my life, it's been my belief that everyone which has a strong loving presence in my life never leave me - there love stays with us - watching over us all from above. Ana was one of my loving Mothers that was always there for me. I loved her dearly, not only was she my mother's best friend but she also made a difference in me and my brother's life and I'm truly grateful for that. Although it truly hurts to lose her here on earth, I know that the Lord has placed her in a peaceful oasis and she will always be watching over us. I LOVE YOU - ANA*

“ *I was very shocked to hear you had passed Tia. I was stung and very heart broken . There are to many beautiful memories we shared together. You were more than and aunt to me. You were always like another mom to us. I will miss you so much. The one thing I am deeply grateful is that God had blessed us with you. I am happy you are no longer suffering and very happy to know that you have joined mom in heaven. I am sure you both are reunited again and are smiling and watching down at all of us . We will always Love you and will eventually all see you again. You will truly be missed. Love You, Freddy Perez*
