“ My condolences to the family of Ang Romano on his passing. I met Ang about 76 years ago when he and my brother, Roland Miller signed up for the Navy Sea Bees. They had a great friendship and I subsequently became a pen pal with Ang.

*I trust that my brother was waiting to meet up again with Ang and I can see them chatting and laughing about their accomplishments in life. Both young men never left Middletown - what a wonderful place to spend ones life.*

*My thoughts and prayers are with all of you.*
