

Arthur Lynch

May 13, 1969 - December 6, 2024

Today, Orange County, New York, mourns the loss of one of its native sons, Arthur Edward Lynch Jr. Arthur passed away peacefully in his sleep at his home on Thursday, December 6.

Upon their return from the Vietnam War, Arthur was born to Arthur Edward Lynch and Priscilla Ramirez at West Point Military Academy amidst the summer of love, 1969.

A lifetime resident of Middletown, NY, he graduated from OCCC with honors as an X-ray Technician and worked locally in the industry for over 30 years. Orange Regional Medical Center and Crystal Run Healthcare were some of his main workplaces over that time, along with many others. He also taught as an instructor for new students entering the field and trained many of the X-ray technicians in our area.

A passionate lover of music, sports, books and TV shows, Arthur was known for sharing these passions with family, friends and loved ones. The list of concerts and sports events he attended, books he read, and television shows he enjoyed seems never ending. In particular his love of the band Rush resonated throughout his life.

Arthur will be remembered for his kindness, his hard work ethic, his

professionalism and his loyalty to friends and loved ones. Also, for his love of life. Throughout his years he lived his life to the fullest.

In lieu of flowers, memorial donations may be made to als-ny.org.

MD

“ A story I tell OFTEN is how Art and Tom invited me to the First MLS All-Star game at Giants Stadium. Sitting with them in their 6th row seats for the All-Star game, Brazil USA Olympic teams double header in a full stadium is a memory I'll never forget.
RIP Art

I was fortunate enough to visit with my good friend ARTIE when I came back to New York took him out to Denny's. We laughed. He brought his epilogue of concert tickets throughout the year. We talked so much about music, family, and friends. My deepest condolences to you, Thomas Lynch, and Chris Lynch

ME

“ Dear Tom and family, It is with great sadness I have to hear of Art's passing. I have so many memories of both of you visiting over the years. Art was always willing to help with anything I may have asked him to do. Most memorable is when the Christmas tree fell six years ago, he happened to be off from work that day and when Michelle called him, he was here in a flash helping me secure it. He was great with our dogs Speckles and Simon. I probably worked with Art several times but did not know him at the time. He would arrive quietly to do his job. I know when he came to do xrays or assist with a procedure, he ALWAYS made sure the patient was comfortable. As you celebrate his life may memories lighten your grief ridden hearts. May God grant you peace and comfort as you travel the journey of grief and mourning. Rest in Peace, Art. With loving sympathy and gratitude for knowing Art.
