*Dear Bonnie,
I didn't know you personally, but throughout the years, and via JoEllen, I felt as though I did. She always had the most wonderful words about you, how much she cared for & loved you, but mostly how happy you made her dad. My heart goes out to all of the family during this horrific time. It's so very unfair how much pain some of us endure, especially those with so much more life & love to give. The only comfort in this is your pain is gone, and your free of it.*

To Bonnie's family, both blood and by love, please accept my deepest heartfelt condolences & sympathy. I'm just so sorry you lost her so young. For JoEllen & Mr. Jankowski, please also accept my heartfelt condolences & sympathies, but also the tightest of hugs, and all of my love. I'm so very deeply sorry for this loss. Be kind to yourselves..xoxoxo
