My condolences. I'm sorry that I never got to know Carolyn. Her husband Charles's father Gordon, Sr. was my Father William C. Procter's 1st cousin. Back in the '70's my Dad and I visited cousins Barbara and Gordon. Sometime I'd like to meet the extended Frost clan -I didn't realize there were so many of you. My Dad's sister has a large family too. Our Great-grandparents William A. Procter and Mary Melissa Rice would be glad to know that they have so many descendants.

“ *Just like family ❤️ Our families were close friends even before I was born .. I as well spent most of before and after school at their house. Carol would babysit me and then their was a huge plus, her daughter Felicia (Flip) was only a few years older, we became like sisters. Family trip to Disney back in the late 70's.. lol... Great times , great memories. And my nickname from Carol was "pill". I can remember like it was yesterday. She is a wonderful woman and will be missed dearly. Sending love to the entire family. Love you always...*

“ So many memories of my big sister. Her talent of sewing bridal gowns and creating such beautiful weddings. She Never complained as to how much work it took. She loved every moment . She loved her children and grandchildren and her husband most of all. She inspired me to sew later in life. We will miss her !
