“*Kate, as we knew her, always sending cakes and sweets up with Ed to Mountaineers R&G Club. She would never think of anything but making sure we had something home made, baked or cooked for our meetings and get togethers. She was very proud of Ed and her entire family, supportive and loving was extended out of her naturally. Her love was seen in her whole family, and she kept them strong through everything and raised them same. She endured even when losing her husband and loving daughter. I know I speak for us all when I say, God Bless and Give Her Rest at Your Side.*
Don Karl, pres. Mountaineers Rod & Gun.
