“ I'm saddened hearing about Cheryl's passing. Tina, Jan & family you are all in my thoughts. I have many childhood memories spending time going places with Tina and her family. Besides spending a lot of time at their home, Jan & Butch took me along to many different places....camping in Lake George, Story Town & Six Flags Great Adventure to name a few. I remember Cheryl well when we were younger and her relationship and love for Mike!💜 I know she is with him now. RIP Cheryl....

“ You all were my second family for several years. Though time and circumstances have separated us, I have always hoped for the best for everyone. Your mom was a wonderful person and amazingly strong. She had a huge heart and I'm beyond blessed that I knew her and she was part of my life for those years. All my love and sympathy goes to everyone in the family.

“ *Omg soooooo many memories with laughter and tears. From wrestling as kids to party after party. She's definitely the female version of our Dad John TenEyck. She even came to my home and took my kids and I out of a bad situation I was dealing with and Cheryl and Mike opened their arms and home and took me and my then 3 kids in. I will always be more than grateful for them. As I am currently fighting cancer, we both couldn't get to see each other but we still talked and she gave me ideas dealing with my chemo. I love you Cheryl and my fight is still you and I. Tell Dad I love him and I will see you all again* 💜

“ We spent so many summer days, weekends, weeks even! Just hanging out. The door was always open. There was always food. Cheryl never turned anyone away. I remember the very first time I spent the night i couldn't sleep. The tv was on so I was watching that. She came out, saw me, made coffee and a glass of milk and stayed up with me. She told me we would just have to have more sleepovers until I was comfortable
