

Daniel Walter Montague

January 17, 1968 - April 18, 2026

It is with heavy hearts that we announce the passing of our brother, Daniel W. Montague, age 58, on April 18, 2026.

Danny was a man of quiet strength, immense kindness, and perseverance; The brother and friend that was always there when you needed him.

He is preceded in death by his parents, John and MaryBeth, and leaves behind his brother John, sisters Laurie and Jillian, and nephew/nieces Anthony, Victoria and Kennedy.

He would have appreciated, in his honor and with his great love of animals, that any thoughts, gifts, donations be made to them; Please feel free to donate to any of the local animal shelters in his name.

“ He took me in when I had no where to go. This was in 2013. He was doing so good working really hard. A true gentleman and friend. You never forget the people that were there for you. Rip ❤️🙏

“ Dan was a kind, talented and hard working man. When I asked him to repair some bird houses, he took them home to work on. He then proceeded to build new ones instead! He said he loved to do that kind of work. He was even in the process of redoing a garden bench and couldn't wait to show me. His love of animals was obvious in the way he frequently talked about his dog. Dan was not just a handyman, he was a friend who always did more than I asked. The world has lost a good man. Rest in peace Dan.
