

Daphne Andrade

December 18, 1931 - November 25, 2020

Today we come together to remember the life of Mrs. Daphne Marjorie Andrade. Daphne grew up in Jamaica and became the first generation in her family to move to America. Mrs. Daphne Andrade had a career as a registered nurse and took great pride in doing so. She always gave her patients gentle and loving care. Daphne was a devoted wife, sister, mother, and grandmother who always put others before herself. She had immense kindness in her heart and always had the purest intentions. Daphne enjoyed cooking and spending time with family. She and her daughter were the best of friends and her grandkids were like children to her. She was a strong and selfless woman and will always be remembered in that light. Daphne is succeeded by her daughter Marsha and her three grandchildren Alana, Sophia, and Justin. They will remember her love, compassion, and selflessness for eternity.

“Our father, who art in heaven, hallowed be thy name, thy kingdom come, thy will be done, on earth as it is heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever and ever. Amen.”

Until we meet again.
