“ *Darlene was always a realist and I loved that most about her. She was always so down to earth and out going. I remember when I was growing up I used to say she was a hippie, her and Joe lol and to this day I feel that describes her well. I love you so much Darlene I don't want to believe your gone so soon, but I am very grateful I got to see you not too long ago and extremely grateful you got to meet my kids. SIP you will forever be missed ❤️*
