“ *Dave and I were friends when we were teenagers. He was the first one to drive me at over 100 mph on Hansen Flats in a beat up 'Cuda. Scared the hell out of me!! But, as everyone knows, he loved speed.*

“ *Dave was one of the first people to call me Aunt Bea . He was a good and dear friend to me . He could surely make me laugh . If you needed something or help he was always there for you I will miss and love him forever* 💔💔💔😞

“ *A candle in the wind was not David Allen....He was a bonfire in the wind! I never had an Uncle, but I called Dave mine. He is what I always pictured an Uncle to be, crazy, funny, arrogant and lovable. He was a kind man who always spoke his mind and lived life on his terms. I am happy to have known him over the years and he will be truly missed. I know those we have lost are watching from above and now they have someone to make them laugh. My deepest condolences to all during this difficult time.*
