May Allah be pleased with our beloved brother! And my condolences to his family! The Enlighten is a great song that I would sing to my babies to put them to sleep back in the early 80's it spoke to the Masses of our 5% Nation!! I learned it and sung the right way when I had a sit down with this beloved brother to discuss the significance of this song! It has been made known to the world from our hiphop artists like the world s famous Supreme Team and the Brand Nubians! You will be truly missed and me we continue to honor you by singing the Enlighten Correctly! Love Sister Sharqueenx 💕💕
