“ I have many fond memories of Dawn from years past when my wife and I would often get together with Dawn and her boyfriend at the time "Mike" to hang out and play board games like Life and Monopoly etc. and also go to see concerts as well. She was always upbeat and full of spunk and was always fun to be around. I remember how much knowledge she had of nature and would often joke that if I was ever lost in the wilderness I would hope she was there cause she would know just what to eat ! Dawn was a beautiful soul outside and inside and will be a welcomed addition to Heaven above. My wife and I send our condolences to her family and our life long good friend Kevin R. Rest in peace Dawn. We love you!
