“ *Our beautiful Aunt Dot has left us all with such wonderful memories. Her face would light up when she would share her memories of Uncle Charlie and their life together. When she talked about her son's Charlie and Danny you could hear pride and love for them in her voice. You also knew how much she loved all of her grandchildren and great grandchildren as she spoke about them. I could write a book about all the wonderful and amazing times, as well as conversations we shared together. Aunt Dot was an amazing, adventurous and the most loving person. We are all honored to have known her. Rest in peace Aunt Dot. With all our love,
