“ Frankie, friendship....a word that has great meaning, & in our hearts, you've been a true friend. We've shared much laughter & lasting memories. We've been blessed to have had you in our lives. We admired your wisdom & your perception to see people for who they are. You'll be missed but not forgotten. Gone too soon. We pray you're at peace. Shine bright in the heavens dear friend. We love you. Louis & Maria Perna

“ Uncle Frankie you were there through every moment of our lives. Endless Sunday Dinners, Dance Recitals, Graduations, drives around town (usually on two wheels), Softball Games (when you would laugh at me swim into home plate after falling), Football Sundays, Summer pool parties and so many more. Through all the years you were always there with a smile, helping hand, and supportive words. You have left us all with a lifetime of laughter and memories. You have touched so many lives, more than you know and have inspired me to always live life to the fullest as you did. I love you and will miss you forever but I know you will always be with me and I hope to continue to make you proud <3

“ Frankie, you will be missed by many, you were such an integral part of so many lives. Each person lucky enough to cross your path, left with a memory. I don't think you ever realized it, until your time of need, when there was an outpouring of love and support. Frankie, you were a one in a million to all who knew you. You made life fun and easy. The piece you left in all our hearts will live on forever. L7
