“ *Frankie was my youngest uncle. I remember when I was little he woul always take me & my brothers to the park or zoo. We use to go to the movies in Elder Avenue to see karate movies & we would walk all the way home doin karate kicks. I would always wait for him to come home to go hang out n watch TV with him in his room. This was all before he married. But even after he got married, I would still go down to his house n hang out with his wife Iris & loved carrying his only daughter, Angelique when she was a a baby. He was a beautiful soul & will be missed dearly. RIP❤️*
