“ *Rest In Peace to one of my oldest childhood friends & neighbor!
You will be missed by so many!*

Mark Goldstein - October 29, 2022 at 03:07 PM

“ *Along by the river side
You were carried away
Off to live another life
We just talked the other day
So long goodbye
You made a grown man cry*

*A time will come
When we'll all be forgotten
Like we were never even born at all
The moon will fall from the sky
Our Sun will expand and the earth will die
And we'll all return to the stars
as the dust we are*

*It's alright to laugh and cry
Emotions here run deep today
Take a breath say a prayer
Breathe out the Morning air
In a way you're still here
As these memories play so clear*

*A time will come
When we'll all be forgotten
Like we were never even born at all
The moon will fall from the sky
Our Sun will expand and the earth will die
And we'll all return to the stars
as the dust we are*

“ *To Gary Christopher Sciulla
I will miss our long telephone conversations about the political times that we live in today. You were so proud to be an American. And you always spoke what felt. You were so gifted mechanically you can fix just about anything. I was always impressed how close your girls were from a young age They got along so well "You can see how they respected each other. I'm going to dearly miss you brother. Peter 🇺🇸*

“ *I just can't believe that my best friend from my childhood is gone. One of my fondest memories with Gary was . When Stanley Gary and I. Would sleep out in Stanley's back yard . We would get up around 4:30 and head out to go fishing at twin lakes. Of course we would stop and take the morning newspaper from Frank's candy store. Lol we also had our Marlboros with as well. Those were the days. We we're about 12 at the time. I will forever miss you my friend. I am praying for you and your family.
Your loving friend Steven*

“ Too much to really process. To lose a sibling is just devastating. I hope he's in a better place and at peace. Love you Gary. You shall be deeply missed
