To the Greer Family. So sad to hear of the lost of Gerry. Our families have been connected since our youth and her father. Her brother Tony was a childhood boyfriend of mine and later her sister Marva and I married brothers. Gerry and I always had a bond and when we saw each other we would talk forever no matter where we at. I will miss driving by Hulse Ave. knowing she isn't in there cooking. May God give you the strength to handle your grief and to hold the good memories close. Condolences from our Family Mary Jane Mann Crump

“ I am so sad to learn of Gerry's death. The last time I saw her was 16 yrs ago at the cemetery at my Mom's death- Betty Steeley. I knew Gerry since I was 5 yrs old- she cleaned our house and really became a member of our family. In my mom's later yrs she helped my Mom when we needed. I remember her and my Mom's long lunches and conversations when she was at our house. She was such a sweet woman and truly a member of our family. I did try to call her last year to tell her of my brother's death, "Donnie" as she called him. I am sure she left a legacy of many friends and family.
Love, Dolores Steeley
