“ *Harry drove the JRT van a few times for me in Newburgh NY. I had the pleasure of meeting him. It was during the time of the last Presidential election and Harry had earphones in his ear and the radio turned on. He liked to talk about politics. He was a very smart man and a pleasure to work with. I am glad I got to meet him and so sorry for his families loss.*

Joan Janssen - December 17, 2019 at 02:12 PM
