“ GRANDMA JUNE: you are forever our Angel now for so many of us! You are no longer in pain & are reunited with Grandpa Tuohey! I will never forget watching the same Tv shows over and over again with you, your contagious laugh that would have us going until we whoops we couldn't hold it anymore! Your personality was amazing and would always have a joke or something funny to say! You will be missed dearly, but until we all meet again RIP xoxo Fly high...Eat as much cakes and Black coffee as you can xoxo
