“ James was also pre-deceased by his sweetheart, Sandie of over 25 years. He left behind five step-children, one who pre-deceased him. James also left behind a great number of grand and great grand children. Sandie and James saved for over 20 years to build their dream home. They spent their time on vacations, and taking cruises. You couldn't find a more adorable couple. James was an incredibly caring person, and would have/has taken the shirt off of his back for someone in need.

“ I knew James a very long time as we were married and had two sons John Marcano Rivera and Conrad Marcano Rivera. If anyone needed help with anything he was there for them. He worked very hard for what he had. He will be missed by his family and true friends. Until we meet again James, Later!!

“ I didn't know Jimmy very long and met him through his close friend, Marilyn. He was very quiet around me so I felt I didn't know him very well. But he took us out to eat Chinese food for dinner several times and came by the house with his Beloved Bernese Mountain Dog Dexter in the car. We worried about his health but he did what he wanted to do until God took him home.
