“ So very sorry for your loss. Jeanne was a wonderful caring person. She was such a good neighbor to my parents especially when my Dad passed and she spent time with Mom just sitting and talking with her. Growing up as neighbors when she was young I did not truly come to know her until we were adults. I will miss our yearly trip to the Christmas display at the college and our lunch at The Colonial. She was taken so suddenly. I know she will be missed by her friends (myself included) and her family.
