“ Jessie was a very important part of my life as well. She was in my life when I was a young girl when she lived in a trailer park, Lido Mansion, located on Otter Road in Campbell Hall back in the late 60's early 70's. I was her little "peanut". She had many pictures of me when I was little. I met back up with her in the late 1990's and she gave alot of photos she had of me. She mentioned she had alot more and was wondering if anyone who comes across her belongings, that if there are any photos that you will be discarding, I would love to look thru them. I can be reached at 845-728-4812. My name is Sandy Pepper and live in Maybrook.

“ Aunt Al was one of a kind... I'll always remember our trip to California with my Mom (Oleta), Aunt Al, and my brother Doug. I thought I would go crazy being cooped up in that little car as we traveled from Kansas to California. As we went through Utah, Aunt Al made up a rhyme which I heard over and over again for years to come. "I taw, we taw, we all taw Utah" Gotta love her. Miss you, Aunt Al. You were one of my favorites. Love you always, Deb

God be with you until we meet again, AH-AW, Johnnie  
We were in the WAC together, stationed at Fort Dix, N.J., and

travels were always filled with adventures and wonderful memories.  
You will be missed and loved. Nancy
