“ My name is Vito Tuosto. You don't know me. I devote time each week to send a comforting message to those who have lost a loved one in death. When a loved one dies the void and grief in the heart creates pain. At such times we can turn to God for comfort and support. The Bible assures us that God remembers those who have died and promises that in the near future he will bring those who have died back to life. This promise is recorded in the Bible book of Acts chapter 24:15. There we read that "there is going to be a resurrection of both the righteous and unrighteous". What a joy it will be to see our dead loved ones again! May this loving promise of God give you comfort and hope!
