“ Jose was always so funny and kind every time you ran into him, he could find a way to make you smile in any circumstance if you gave him the opportunity to. Anything you’re gonna hear about him is gonna be about his shiney disposition or how he cared for others and made them laugh. It’s not often in life you know someone who EVERYONE has the same feelings about, the world truly lost an angel. Your presence will be so missed.

“ Jose, you easily became a very special person to me after only knowing each other for a short, but memorable, period of time. Your smile was breathtaking, and you had a personality like no other. I enjoyed every second we spent together, and I will forever treasure the memories we made together. I thank God everyday for giving me the opportunity to meet you, and I can truly say that I am blessed for being able to call you my friend. My prayers goes out to you and your family. You'll forever be in my heart.
