“ *My sincere condolences to the family of my great friend Joseph Destime.*

Joe so popular and so beloved, he offered you everything without asking for anything in return and he was eternally unconditional . he was always contagious with his joy, he danced, sang, gave you his blessing, hugged you and above all, he respected each person without distinction.

I remember 20 years ago, you were my first teacher in the company, you gave me the first welcome and we made a great team I personally I will miss MY FRIEND and I know that God will give you the blessing where you are.

“ Joe worked for Princeton for 40 years. Over those years filled many roles in the woodworking department and always gave it his all no matter what the assignment. Joe was reliable, conscientious, respectful to all and respected by us all.
We could count on Joe for a big smile and a funny joke. He could always make us laugh. He will be remembered and missed by those lucky enough to have known him.
