“ I miss sitting at the kitchen table in Rockland with Aunt Judy and Papa. Whether it be eating a meal, playing cards, or putting a puzzle together. We would all laugh until we cried. Can't leave out our trips to Shoprite, which I thought were the coolest as a kid. Nanuet Pizza, sitting on the porch and just talking for hours. Your wit was incredible! Lol. I wish we all were together more these past years, but life handed us something different. I will never forget the love, the laughs, and the unity we shared back then. Thank you for all of these wonderful memories. I love you. Rest in peace Aunt Judy.
