“ My name is Vito Tuosto. You don't know me. I devote time each week to send a comforting message to those who have lost a loved one in death. When a loved one dies the void and grief in the heart creates pain. At such times we can turn to God for comfort and support. The Bible assures us that God remembers those who have died and promises that in the near future he will bring those who have died back to life. This promise is recorded in the Bible book of Acts chapter 24:15. There we read that "there is going to be a resurrection of both the righteous and unrighteous". What a joy it will be to see our dead loved ones again! May this loving promise of God give you comfort and hope!

“ *Not only did we share a womb together but we were soul tied as twins and now that you are gone half my soul is gone with you. Not only were you my twin but my best friend, my bodyguard and the half that kept me going. I truly miss you so much and wish I got to say goodbye to you but I know you are watching over me with Nana. Please keep me safe because even though you have gained your wings I still need you. I love you so much. We will see each other again ☐❤ You will be deeply missed especially with me and you will never be forgotten Twin....*
