

Kenneth Kobin

September 28, 1957 - January 6, 2021

Our beloved KENNETH SCOT KOBIN (aka Kenny, KK) died on 1/6/21 from Covid Pneumonia.

He will be missed more than I can express and always remembered for the love and joy he brought to the world 🌍

Kenny Kobin was born September 28, 1957 to Gene and Robbie Kobin. He is survived by Sandy Sheffer Kobin who was Kenny's ♡ Mother for 40 years.

Kenny loved having his own room. He loved nice clothes, good food and spending time with his friends. He was always a staff favorite as he loved being helpful. He always cared for those in need.

He had an inner strength most of us will never know. Yet Kenny had a gentle spirit and sweetness second to none. If you met Kenny Kobin, you liked him, you remembered him.

He loved living at Sarah Wells, the past few years being the best of his life. The Staff had come together and Kenny was a major part of this CRVI family.

Thank you to the staff at Garnet Health Hospital in Middletown NY where they did virtually everything possible to save him.

Donations to Crystal Run Village Foundation preferred.

“ I have known Kenny for a few years and he is such a loving, caring and passionate person. From the first day he met my son, Kenny has not stop asking for him and describing him as a big boy. Kenny have a gentle and great spirit. He cares more for people than he cares for himself. He is generous and always willing to help at any cost. Kenny will be missed and my condolences goes to his family, particularly his loving and caring mom and to all the staff at Sarah Well Trail.

“ I remember when Kenny came to CRVI and when I left there I then got the privilege to again meet up with Kenny when I came to ARC. I would see him everyday and he never let you go about your day without saying hi. You always knew when he got new clothes, a haircut or new sneakers as he would show you right away. He will be greatly missed.

“ I had the pleasure of being greeted by Kenny every morning at program. He was very kind and thoughtful. He always asked how I was. You knew he really cared about the answer. Kenny always shared whatever new item of clothing he had, his haircut, his beard, etc. I will miss him very much.

My deepest sympathies to his family and friends.

“ Kenny Kobin my ❤️ Son for the past 41 years. The dearest soul I have ever encountered. Kenny was the mirror image of his handsome DAD Gene. He was my stepson but he was also my best friend. When I was with him he made most of the decisions and Kenny made very good choices. I loved spending time with Kenny.

His dad Gene loved him beyond all others and for very good reason. They were cut from the same beautiful cloth, they got the same jokes, their love was based on a deeply rooted connection. Gene was absolutely waiting for Kenny with open arms as he crossed over as was Kenny's biological Morher Robbie.

RIP my special dearest son. As you would always say when we said goodbye on the phone "Enjoy Yourself". You will be missed.

“ I've had the good fortune to know Kenny for the past 4 years through my brother. Kenny was his best friend and has become like a third brother to the two of us. We are incredibly saddened by the loss of this vibrant, kind soul who always found the best in others and greatly enriched our lives. My heart goes out to you Sandy!

You and Michael have made Kenny's life so much better by just being in it.

You were definitely his chosen brothers and he always felt like part of your family. My heart goes out to both of you who spent quality ongoing time with Kenny in the last few years. You enhanced his life significantly and made him a happy man. From the Kobin's to the Plum's thank you. May his memory be a blessing.
