“ Kim was my soul sister. We knew each others thoughts and finished sentences at one time in our life. We always promised each other we'd share a room in the nursing home when it was our time. She always made me laugh and thoughts of her always make me smile. I wish life didn't have us go down separate ways. She will be forever in my heart and there is not a day in my life that I won't think of her with all my love.

“ It is with the heaviest of hearts and sorrows that my childhood friend Kim has left us! My gosh, I had known her since we were in Kindergarten! Enjoyed all the good times, and laughs we had! She always knew how to light up a room! You will truly be missed and forever in our hearts and thoughts! My deepest condolences to the entire family!

Lucille and ken this is AnneMarie ( Richman) now Gjestson I remember spending many many nights at sleepovers at your home and the project from 5th grade solar system we did w ken and giving all my barbies to Kim's siblings. Those are fond childhood memories and Kim was a good friend growing up in Middletown. There are no words adequate enough to express the sorrow you must feel losing a child. It is w a heavy heart that Kim leaves us.

“ So many memories but the one that sticks out the most was in 1990. We were at the new Below Deck and I was four months into chemo and completely bald. There were four guys calling me Kojak and making fun of me, needless to say Kim being the friend she was had a few choice words and threatened to kick their butts. There was nothing Kim wouldn't do for a friend and i will miss her.  
RIP

“ *Every time I feel down about Kim being gone a flood of good times and good memories of her either puts a smile on my face or I burst out laughing. Not once did I come out of an encounter with Kim without feeling good. Thank you to the Arnold family for sharing her with the Class of 84. Kim, thank you for making us laugh and smile. God needed another spirited soul and he got a good one. Keep some barstools open for the rest of us my friend. 🤔❤️*

“ *My Childhood Best friend. I can picture the exact time I saw you when you came to Mechanicstown and walked in the classroom. I thought you were beautiful with that long dark hair and we became fast friends. You were beautiful inside and out. Neighborhood fun, sleepovers, Wildwood vacations, amusements parks, concerts- especially Beach Boys :-)* This is a picture of you, me and Lynn at my college where you would visit. We haven't seen each other much in adult years, but you are forever etched in my childhood. Those are forever. May you Rest In Peace and may your family find some comfort in these memories. I
