“ I met Lars when we were 12 yrs old and we played soccer together for the better part of 4 yrs. He was at the point in my life the most intimidating person I'd ever met, but within minutes I realized he was one of the nicest and most genuine people I'd come across.

Whenever we saw each other after our time as teammates we were always able to pick up right we left off. I wish I had kept in touch more and pray for his loved ones as I know his loss is immense. Lars was always and simply a good man and I'll miss him.
