“ I have great memories of playing with my cousin Lee as a kid. The many dummies made out of leaves, the adventures while running around Pine Bush, and his contagious and warm smile and laugh that broke through even when he was trying to be tough. 🤔. Love you Lee and my ❤️ is with Aunt Birdie.

“ It was with great sadness that I learned of Lee's passing. He was a true friend to my late husband, Albert Clark, and me. He was always willing to lend a hand or an ear. May he rest in peace and his memories comfort his family and friends. Christa Clark Reiter

“ Ms. Birdie...mere words are not enough to express the depth of my
condolences. Know that Lee is part of the amazing tapestry that is
Our Town, as is Tim...and their hard working Mom from George
Giagiakos's restaurant.
For today, my heart belongs only to you.

“ I first have to say Lee was such a sweetheart just like Birdie. I grew up next door to them. Loved my neighbors. I've been in touch with Birdie over the years and always has that beautiful smile. Such a strong woman. Losing Warren recently was so very sad and to lose Lee to this horrible disease cancer isnt fair. I lost my dad and aunt to cancer, I understand. But i could never understand the heartache of losing a child. Lee was a good guy. He will be deeply missed. I am so sorry for the whole family. Prayers for you to get through this 🙏❤️ And much love. “ There are too many memories to share. My heart is broken and I will never be able to say how truly sorry I am for your loss. He was like a brother to me and I loved him with all my heart and even though I haven't seen him in years I will always think of him with nothing but love. I wish times were different or I would be on your doorstep right now and give you the biggest hug there is. You are in my thoughts and prayers always. Kim
