“ On behalf of my entire family, I express my deepest condolences to the entire Chappell, Kehm, Tice, etc., families for the passing of Linda. Although I knew her briefly, thanks to her tireless efforts in the early 1990's to help her beloved husband Lou reconnect with his long-lost biological relatives from whom he was separated in the late 1930's (meaning: us), I will be forever grateful to her for inviting us into her family and her life so that we may get to know her, Lou, and all the family we never knew we had (but could only imagine for many years beforehand). She was (and is) kind, loving, funny, cheerful, and she unconditionally offered her home to me and all the family I introduced her and Lou to over the years. I will cherish the memories I have of her and Lou and the many visits I had with them starting in the mid-90's in Middletown after we dissevered their existence through the magic of genealogy. I will miss you, Linda, but I have no doubt you are busy being reunited with Lou, your since-passed family, friends, and more. We will see you again when it is our turn!!! For now, we love you and miss you, and THANK YOU for connecting our families together!!!

*Much love and prayers for peace and healing,
Geoffrey & Bethany Bovey, and our children Benjamin (21), Celine (15), and Madelyn (2!!)*
