Just found out about the loss of Maria. I knew her working at Litson Health Care many years ago. We used to keep in touch all these years and I wondered what happened when I received no more emails from her and no more phone calls. I think of her often and decided to look up facebook and this is how I found out about her passing. I am so sorry for the family and my prayers are for them. Thank you Maria for your friendship and caring. Anne Cole

“ *I was so saddened by the news of her passing. She loved her Family, God and everyone she ever met. She only had kind words for everyone. I have known her since grammar school and our families were all friends. We worked at the "old" Horton for many years together where her compassion for people was always evident. My love to Rod and all*

“ If ever a woman, nurse teacher, friend or coworker deserves words of kindness, it is Maria. I dont know how God made a woman so kind and humble as Maria. May her soul rest in peace and remain with her family and friends forever.

“ I was so saddened to hear this news, my deepest condolences to her family. I worked with Maria over 30 years ago At Litson health care and she will never be forgotten. She was one of the kindest people I have ever met, her kindness was sincere she truly cared about everyone she ever met. She left an impression on me that 30 years later I can still feel her warmth when her name is mentioned. My prayers are with you, her family at this dark time.

“ I met Maria in 1995, when I started working at Litson Health Care. She oriented me. We became friends quite quickly. We shared almost a quarter of a century of friendship and I love her with all my heart. I will never forget her and I will miss her, until the day that I die and see her again. We shared our love of faith, family, friends and nursing. We had many laughs and a few tears. She loved God, her family and friends and her loss will leave a deep void in my life forever. Love, Chrissy Dube, her little sister, as she should would sometimes say...adopted kind of, as she was an only child

“ She was such a dear mother to many a woman who welcome everyone for a cup of coffee even her home as a rest stop off the highway. So friendly and funny will make the saddest crowd laugh at some point.
