“ Marion was very kind to my children when they were growing up! She was very talented and creative with ceramics! Some of the gifts she gave my children were a ceramic pumpkin, Christmas tree, Bunny rabbits & Easter Basket. Just beautiful! God rest you, Marion!! Our sympathies to all the family!

“ Ken and family of our dear Marion,
I was shocked to see that Marion has left our world to be with her parents, brothers and her son John. I haven't seen Marion much in the past few years, just running into to each other, or at a funeral, but I will never forget her. I have some very happy memories with Marion over the years. We became friends when I was working for the USPS in OTISVILLE. She would always come downstairs with goodies, she loved to bake and put a smile on everyone's face. We would chit chat until Ed, (the Postmaster) would throw the jug at us. We would laugh. I could go on and on. Marion will be greatly missed, she was a wonderful, kind, thoughtful friend who always put a smile on my face. Spread your wings Marion and fly free.....My sincere condolences to you Kenny and the entire family.
