“ *How can you sum up a life time of memories in a few simple words? You can't!! Anyone who knew my Grandmother would tell you she was one heck of a Women. She loved her family deeply and was one of the strongest women I have ever known. She lived a long hard life and never let anything stand in her way. When we lost my Grandfather something broke inside of her and she was never the same. I'm happy she's with him again. They have a lot of catching up to do.*
