

Mary Ellen Baker

May 17, 1965 - October 1, 2022

Our beloved Mary Ellen left this earthly plane on October 1st, 2022, and as the always devoted daughter, she has now been reunited with her mother Ella, and father Walter in Heaven. Mary's spirit will truly never leave us as she will always be remembered by the many life lessons she left with us to follow.

Mary's love of sunflowers is no surprise to anyone that knew her. A sunflower follows the sun across the sky. In doing so, they provide us a valuable lesson in finding Hope & Joy in our lives. Mary was always the light and the warmth. Living life to the fullest, she grabbed at all the best and shared those treasures with all she loved, whether Friends or Family. Sunflowers are symbols of loyalty and adoration. Mary was the embodiment of these qualities and they've shown no brighter than in her love for husband Thomas, and her love for daughter Amber Lynn who has always been the Apple of her Eye and of whom she was most proud. Mary was the best daughter to her Mother Ella who was always a big part of her life, always caring for her needs. She was an open home to all her family and a fun-loving, giving, selfless and caring friend to all of those fortunate enough to have had her in their lives.

Mary enjoyed a 20+ year career at Orange Bank & Trust, where she excelled at her calling and what she

always did best – helping others. She truly was the Customer Service Queen and Mayor of Dolson Avenue. When you met Mary, you started as a client and left as a friend for life. She gave 110% of herself every day, and her legacy will live on thru the countless of friendships she developed with coworkers and clients throughout the years. Mary was truly our Sun.

“ We are so sad to hear of the passing of this beautiful Sunflower. Mary was so sunny and bright in even her worst moments. I remember her amazing giggle that could get anyone laughing even if they were not having the best day. Mary loved her family and friends and was always willing to lend an ear when someone needed it. She is so missed already by all her friends and family, especially the light of her world, Amber and Tom. Our condolences go out to Mary's entire family.

Love, Theresa, & Fred W and Athena C
