“ *It was with sadness that we learned yesterday of the loss of your dear mother, grandmother, and great-grandmother. Reading through the many kind words and memories that have been shared by family and friends, it is clear how much she was loved and treasured by all who knew her. We hope that your memories of happy times spent with her will help sustain you through the days ahead when you grieve for her and wish you had just one more day to see her smile and spend time sharing regular, every-day things. She leaves a hole in your heart, but I'm sure she left you with an example of what it means to be a good person and how to lead a kind, caring life. Honor her memory with a life well-lived. With our deepest sympathy, Lester and Rena Janke (son and daughter-in-law of the late Julie and Grace Janke)*

“ We were so sorry to hear of Mary’s passing. We were just talking the other day about how much we loved her. She always had a smile and a kind heart. We loved visiting the farm and seeing all of the cows and we truly loved how she knew each of their names. She was a good mother & wife. She is dancing & dining in heaven! With our deepest sympathy espically to Debbie, George & Mary Krol.

“ *I am so proud to be considered a member of this family. Mary is so many things, a sincere, sweet, hard working woman that cared so for her family. Mary has been a special person in my life but even more so since the loss of my own Mom this year. She shared her strength with me and helped to fill the void of that loss. Mary raised 4 amazing children. Paul, who helped with daily life, learning to cook and helping to keep the house and property together. Linda,, her medical wiz, dealing with the medicines and appointments. Nancy, working so hard in your own life and filling in whenever possible. Each of you helping with the stress of dialysis, Even though you were so far away Deb, your love and support was felt by Mary. One of the things Mary missed the most when her eye site was failing was the inability to read her bible. I know she was welcomed with open arms as the wonderful person she is and the christian life she led. Forever in my heart, I will miss you dearly. Your (daughter) Gladys*

“ *My husband John and I had the blessing to know Mary from Dialysis. What can I say other than heaven has a new angel. Mary was humble and such a loving soul. I will miss our chats in dialysis and her smiles and jokes... There are some people who leave a beautiful rainbow in our lives and Mary was one of them... May God comfort her family in this time and keep Mary and them in prayers always... John and Marie Cardona*

“ My MeMa,
I wasn't ready for you to go yet. I didn't ask you so many things. What If there is a question only you can answer. Selfishly, we all still needed you. But I keep thinking of the meeting you must have had, and who was there to greet you. Your Mom and PePa front and center! Uncle Tom, Uncle luke, Aunti El, and Aunt Bren. Aunt Madge, Aunt Verta, uncle Claude, what a Celebration you must have had.
So, selfishly, I can't bare to be without you, But I am comforted to know you are no longer tired, no more pain. and at peace. I am grateful for EVERYTHING you did for us, I will think about you everyday, I WILL see you again. Your oldest Granddaughter, Your "Doll" xoxo
