“ My dear friend Melissa, I cant believe you were taken from us so soon. Although we are all heartbroken I am finding strength in knowing that you are once again reunited and dancing with your mom and your nanny both of whom I know you missed very much. Thanks for always being there for me. You will live in my heart forever. To Bob, her husband, Bob her dad, her children Robert and Billy and her grandchildren please know how much she loved all of you. Wishing you Peace and Gods Comfort during this difficult time.

“ The last time I saw Melissa she told me the funniest story about the one armed woman drunk in a bathroom every time I think of it I crack up laughing and think of the expression on her face while she was telling it! God Bless You Love Joan
