“ Mike came into the service station one day. He said "I hear a rattle in the back". We went for a ride, and all I heard was a bunch of plumbing supplies rolling around in the back! He said, " not those noises, I hear a rattle"! So I put the van in the air, and sure enough I found an exhaust clamp loose on the tail pipe! You know what he said? "Told you so"!!! May God bless your family in this time of sorrow. Tracy Racine

I was soo sorry to hear about the loss of Mike Korn. He was a great friend and buddy to my late husband, Big Dave. He always commented on my rain hats I wore walking my 2 dogs. He always had a smile on his face. He and Big Dave were always causing havoc for Joyce and I. Mostly during the weekdays, as we were seasonal. My prayers continue for the family and Joyce, in this sorrowful time. I' sure Mike and Big Dave are betting on the Mets- Yankees already!! RIP Mike Korn, we'll miss ya buddy. :(
