

## Michael Parenti

August 23, 1935

Mike Parenti, 86, of Otisville, loving father, grandfather and uncle, passed away on July 27, 2022, while in hospice care. Born in August of 1935 to Nicholas and Mary Parenti of Bensonhurst, Brooklyn, Mike spent a career with the US Postal Service and ultimately retired as Manager of Stations and Branch Operations in Queens, NY.

Mike is preceded in death by brother Richard, mother Mary, sister Theresa, father Nicholas, niece Marie and wife Barbara.

Mike is survived by his sons Nick, Mike, Charlie and the many nieces, nephews and grandchildren that he loved so much.

As relayed in his own words, "I was lucky to be born into a loving, caring family and had the greatest childhood imaginable. Living in one of four two-family homes in a row, among 20 relatives (a grandmother, uncles, aunts and 10 cousins), it was like our own little world. I married a wonderful, special woman, Barbara. She gave me three great sons who are the measure of my existence. They had each picked loving wives who are compatible with their own beliefs, aims and love of family. Being Pop-Pop to seven grandchildren made my life complete. I enjoyed membership in the Slate Hill Pacers and the Greenville Leisure Club. While being an avid pinochle player, I always enjoyed a good laugh especially if it was on me. Having many friends and three very special ones completes the picture. I had a few indiscretions along the way, but by the grace of God I lived a fruitful life. Ciao!"

Visitation will be held from 2 PM to 4 PM and 6 PM to 8 PM on Monday,

August 1st at Martinez-Morse Funeral Home in Middletown. Funeral services will be held at 11 AM on Tuesday, August 2nd at Holy Name of Jesus Church in Otisville. Messages of condolences may be left at [DeWittFH.com](http://DeWittFH.com).

“ For so many years mike and Barbara would come to our home for Sunday dinner . Barbara and I would have chat time while Mike and Don watched football . After losing Barbara mike still came for football every Sunday . Don and I considered mike like a father/friend and so much more . We really are having a difficult time thinking about a world without Mike . We love you and with never forget our precious memories .

“ Every summer the Parenti and Castoro families headed “up the country”. The mommies packed up all the kids and the daddies would drive up every weekend. As a result, we all think back on those days with gratitude and love.  
One of my favorite memories of my handsome Uncle Mike is when he would give me a ride. I was about 5 or 6 years old and I would ask, “Uncle Mike, please give me a ride on your feet”. At 6’8” tall he had very big feet and as little kids, we all took turns riding on his feet as he walked us around the kitchen.  
I’ll never forget those times we shared and how lucky I feel to have had such a wonderful childhood.  
Rest In Peace my beautiful Uncle. 🙏💕🙏  
Love and Kiisses,
