“ I am so sorry to hear of Moyna's death. I knew him almost thirty years ago in NYC. He was so much fun to hang out with in the clubs in Greenwich Village or just having dinner with. I especially remember how much he enjoyed rollerblading in lower Manhattan; going so far as to rollerblade down subway steps and even rollerblade on the subway platform. I eventually moved away from NYC so over the past twenty years, we would only get together for dinner every few years when I was back in the northeast for a visit. -
