“ Fred and I have wonderful memories of our times spent with Nancy. We first met her at the Middletown Corps for volleyball games, and later spent some wonderful times with our dear friend. Nancy knew how to be a real friend, always interested in our family and supporting us in so many ways. Our best times were in the Adirondacks where we would cross country ski and just enjoy the beautiful country up there. We were the recipients of her beautiful handwork and shared in our mutual collections of Precious Moments figurines. Nancy was a hero in her acceptance of multiple medical problems and having to give up her beloved apartment and never complained about the losses. Our visits and phone calls were always a blessing and we could share about so many memories and the friendship we came to treasure. Our thoughts and prayers are with the family and friends who also celebrate her life now, and we rejoice that she has been Promoted to Glory and no longer having the physical struggles. We thank the Lord for giving us our loyal friend. Kathy & Fred Jackson

“ We met through church, the Salvation Army. We grew, laughed, worshipped, explored life. We became best friends! You were my maid of honor at my wedding, Ashley's godmother an irreplaceable friend. Thank you for always being there, but most of all for just being you and always being there. My ride or die, I love you! Till we meet again my friend. Fly high my angel and watch over us.
