In my heart, you will forever live just as you lived there throughout my life, as a kind heart, a sweet glance, a loving word, a shy and beautiful smile, a reserved but joyous laugh.

Thank you for being there for Mama Connie and for Titi Loyda. Thank you for being there for us and with us. I am forever hugging you.

Thank you for making my life more beautiful through yours, Neida.

“ Sincere condolences to the Segarra Lugo family on your loss. Wishing that you that all of you are finding strength and comfort in knowing that Neida will always will be remembered with gratitude by all of us whose lives were touched by her kindness and gentleness. I will be united in spirit at the celebration of life and love in her honor on Nov 23rd.

I met Neida in the Summer of 1980 when she came with Loyda and the three younger children to visit me in McLean, Va. My three children were close in age with hers and there was an immediate positive connection. When I moved to NYC in 1992 this became a very favourable time to solidify our friendship. In 2006 Loyda and I moved to Puerto Rico to provide companionship to Titi Connie and out of the 14 years in Quintas de San Luis, Caguas, Loyda considered being fortunate when Neida stayed with us for four years. Loyda and siblings have expressed gratitude countless times for Neida's love, selflessness and empathy in her interactions with Titi Connie.

Neida will be always remembered by her relatives and friends in Puerto Rico for her kind, thoughtful and compassionate graciousness.
