You're in my thoughts my heart and prayers. Please know how sorry I am. Paul was a wonderful nephew. I'm glad we had so many fun times in my home and at the beach which he loved. His knowledge of all subjects were immense you were never bored. His family meant everything to him. They were loved very much. They were his pride and joy. I am here for them if they ever need my help. Love Berni - he never called me aunt Berni.

“ Our heartfelt condolences during this difficult time. We want you to know that we are here for you if there’s anything you need or if you’d like someone to talk to. You and your family are in our thoughts and prayers.

Paul was very kind and friendly, he was the first to welcome us in the neighborhood. He will be sadly missed To be absent from the body is to be present with the Lord.
