

## Philip Chimblo

April 5, 1967 - November 17, 2022

Philip William Chimblo, age 55, passed away suddenly on November 17, 2022. He was born on April 5th, 1967 to Christine and Lawrence Chimblo of Stamford, Connecticut. Philip was pre-deceased by his parents, Mother-in-law Marjorie Francavilla, and Father-in-law Joseph Francavilla.

Philip is survived by his loving wife of 19 years, Alane Chimblo, and sons Thomas, Steven and Zachary Grimm.

In his earlier days, Phil enjoyed racing go-karts with his father, working on sprint cars, and playing football.

After marrying his wife Alane in 2003, he developed a passion for watching their sons play lacrosse and it brought him great joy to spend weekends traveling for tournaments.

In his more recent years, he became an avid arm wrestler and if he wasn't spending his free time traveling to competitions, he was on a Saturday pizza excursion with his wife. Sundays were spent watching football and nascar. He took a lot of pride in his career as a blaster and when you asked him how work was, he'd reply "booming".

Phil was never at a loss for words, and unlike his race cars he didn't have a

filter. He was filled with wit and loved to make people around him laugh. Phil had the biggest heart and enjoyed nothing more than spending time with family.

Phil put 110% into everything he cared about, especially those he loved. Phil will be greatly missed for his loving heart, sense of humor, and big presence. His family finds comfort in knowing he is now reunited with his beloved parents and his best friend Steve.

At this time, Phil's family appreciates your kind thoughts and prayers while services are still being determined. — with Thomas Grimm and 4 others.
