“ so many good memories of a good man, especially his sense of humor ... now a hole has been left in the hearts of so many, hopefully filled by the thought that Heaven gained one more tough angel to look out for them ... rest in peace

“ I have many fond and funny memories of Mr. B. He always made me laugh and would laugh himself as he would tell me my laugh was funny. When he was trying to get healthy and walk more he bought a good pair of sneakers to do so. He decided on one's that would light up when he walked. Well I remember him showing them off the first time he wore them. He walked around his living room showing us. Being young we told him they were not cool and poked fun at him. He defended his wise choice by saying but look I can use the lights as blinkers so everyone will know where I'm going. He turned around and gave a hilarious demonstration. May you rest in peace and have fun in heaven until we all get there to laugh with you again. - Bridgette

Hi Leann! My deepest sympathy on the loss of your Dad. I just today, sheerly bby accident, came across his obituary. While we haven't been in contact since your family moved from Astoria, your Dad and I go back to 1965 when we both worked at Citibank in Jackson Heights. Your Mom joined us there shortly after as a Savings Teller. I would love to get in touch with her ... is she still living in Middletown? Please give us my condolences, and if she would also like to connect, please give her my email: johnj22@optonline.net
Your Dad was a great guy an from what I read in the memories on this site, he was that way until his passing. I'm sure you will all miss him greatly! All the best to you and the family... John Nahman
