That was a beautiful tribute to a kind and beautiful man. My three favorite times with Stormy, at Stuart's wedding, the cruise with Stormy and Patti on board, and the fun times making my movie with Stormy and Patti's help with the farm and the animals. Miss you Stormy. You were like an adopted Uncle and a great guy. - Matty

“ He was never really afraid to do anything.. like the first time we did a party in the costume business and he had to wear green tights as a ninja turtle. He was a awesome costume character. Thanks for all your help and laughs over the years.. going to miss you much papa stormy! Enjoy your next adventure!❤️❤️

“ One of my favorite memories of my dad will always be telling me stories about the stuff him and his friends use to do. Some had me laughing so hard.
