“ I’m so devastated to hear of Sal’s passing. I just bumped into him very very recently at quick check and exchanged phone numbers to catch up because it had been so long. I guess we will never catch up now. This makes me sad. We go all the way back to elementary school. Sal was ALWAYS a great friend and a very loyal one. He was also a talented tattoo artist and was going to help my daughter find her apprenticeship. May he rest in paradise. No more pain or suffering ever! We love you Sal. May your memory live on.
